

Liskow Lawyer Marguerite L. Adams Listed in *Chambers High Net Worth Guide 2017*

09.21.17

Liskow & Lewis is pleased to announce Shareholder Marguerite L. "Peggy" Adams has been listed in the 2017 edition of *Chambers USA – High Net Worth Guide*.

In the publication, Peggy is described as a well-respected member of the Louisiana estate planning community. Feedback from Peggy's clients is summarized in the edition and includes:

"Her peers describe her as *"smart as a whip and a wonderful person."* Adams also specializes in real estate law, and one strength of her practice is her ability to advise non-Louisiana trustees on the preparation of complex trusts including real estate or alternative assets. Fellow lawyers also highlight Adams' sensitive approach to estate administration and family disputes. *"She is excellent,"* says one source, who also reports that on a recent matter where Adams was opposing counsel, she was *"very professional - it's a matter that could easily have gotten ugly and it hasn't."*

Peggy is a business lawyer known for her sophisticated transactional work involving large, complex industrial plants in Louisiana. She practices in the areas of real estate, finance, general business, probate and estate planning. Peggy represents developers and business owners in asset acquisitions, and in the purchase, construction and financing of commercial office buildings, hotels, residential subdivisions, shopping centers and industrial facilities.

In addition, Peggy helps businesses with the preparation of leases, restructuring of partnerships, real estate sales, and review of title and issuance of title policies for Liskow & Lewis' title agency.
