First published in 1983, *Best Lawyers* is based on an exhaustive peer-review survey in which more than 36,000 leading attorneys cast almost 4.4 million votes on the legal abilities of other lawyers in their practice areas. Because lawyers are not required or allowed to pay a fee to be listed, inclusion in *Best Lawyers* is considered a singular honor. *Corporate Counsel* magazine has called *Best Lawyers* “the most respected referral list of attorneys in practice.”

Founded in 1935 in Lake Charles, Louisiana, Liskow & Lewis has grown to more than 130 attorneys in New Orleans and Lafayette, Louisiana, and Houston, Texas. Since its inception, the firm’s practice has included a focus on the energy and oil and gas industries. The firm and its attorneys are recognized for contributions to the development of Louisiana’s mineral law, as well as for providing clients with exceptional counsel.
