Overview

Jackie Hickman is an energy litigator who defends global exploration and production companies in a wide range of environmental and operational matters, including well-blowouts, coastal erosion, legacy litigation, and oil & gas contract disputes. Jackie has managed various aspects of complex energy litigation including work with experts on technical matters and extensive factual development and discovery. In addition to this practice, Jackie has also worked as a general litigator in a variety of fields including commercial disputes, employment law, and media law.

- "New Judge, Same Result – \$81 Million CWA Civil Penalty Appealed," Liskow & Lewis' The Energy Law Blog, May 26, 2016

After Hours

"I have an eight-year-old son, and like a lot of parents, his hobbies have become my hobbies. In return, he indulges my preoccupation with news and politics. When we're not listening to "Morning Edition" or doing something comparably nerdy, you might find us at City Park picnicking on the great lawn, kayaking, or playing baseball."

Practice Areas

Energy Litigation
Appellate

Bar Admissions

Louisiana, 2014
Middle District of Louisiana, 2015
Western District of Louisiana, 2016
